Foreword

The 1967 COMET staff has worked hard preparing this yearbook. Much time and energy has been spent on the '67 COMET, hoping each person who reads this book will find happy memories with each page he turns.

The theme chosen by the staff is simply the lay-out design. This design is somewhat different, and we have tried to be consistent with it throughout the book.

We, the 1967 COMET staff, present this book as a memoir of the 1966-67 school year.

FACULTY

Mr. Smith—
Efficiency Expert

Mr. Robert Smith, Bellevue's very capable Superintendent, has completed his third successful year in the Bellevue Schools. He has taken on his responsibility and has kept our entire school system running in top condition. Mr. Smith received a Bachelor of Science degree from Ohio State University and a Master of Education degree from Bowling Green University where he is also completing some additional graduate work.

The Bellevue Board of Education is a group of citizens, who are elected by the people, dedicating themselves to the responsibility of having the best schools possible for this community. The members, Dr. F. D. Crosby, Mr. Harold Todd, Mr. Robert Segna, Mr. Thomas Billiard, Mr. Charles Nottke, Clerk Alma Reitz, and Superintendent Robert Smith, meet monthly, with many committee and executive sessions whenever necessary.

The Board is divided into the following committees: finance, teachers, building, and grounds, and janitors and supplies.

The Board spends long and tedious hours determining the policies to bring about the fulfillment of a good educational system in Bellevue.

Mr. David Cress

Mr. Robert Regula

Backbones of B.S.H.S.

Mr. Robert D. Regula, the Bellevue Senior High School principal, has many duties and responsibilities to carry out. It is his job to see that the school runs efficiently. Mr. Regula has carried out these duties for eight years. He attended Ohio University where he received a Bachelor of Science and a Master of Education degree.

He is a former President of the Ohio Secondary School Principals Association and is presently the Secretary-Treasurer.

Mr. Burnell Hoffman, the assistant high school principal, received a Bachelor of Science degree from Bowling Green and a Master of Education from the University of Pittsburgh. In addition to holding this position, Mr. Hoffman also teaches biology, and is a football coach and a former head golf coach.

Mr. David Cress is responsible for the standardized tests and their interpretation and the Guidance Program. If you want to learn about your PSAT, NMSQT, GATB, DAT, your ACT or SAT--If you want to learn more about yourself, your abilities, how to study more effectively, and what Bellevue High School expects of you as a student--If you want to learn what the World demands of you after you graduate, make an appointment with our counselor, Mr. Cress.

Mr. Richard Faulkner

Mr. Donald Stonestreet

Mr. Joe Ayers

Social Studies Are Informative

World history, taught by Mr. Donald Stonestreet and Mr. Joe Ayers, broadens the students' minds with informative facts about the world, of the past and about the present.

American history, which is a history of the development of the United States into its present status, is also taught by Mr. Ayers.

American government and economics are taught by Mr. Donald Stonestreet and Mr. Richard Faulkner. Each course is one semester in length. Students learn the basis of our government and the meaning of the economic principles.

Psychology, the science of behavior, is also taught by Mr. Faulkner. Here the students are exposed to the facts of human relations and how people differ mentally.

Languages Fascinate Students

In the modern curriculum a knowledge of foreign languages is becoming a necessity. B.S.H.S. has an excellent language department in which Latin I and II, Spanish I, II, and III, and French I and II are taught.

Miss Mary Cooper, who received her B.A. degree at Ohio University and an M.A. at Ohio State, teaches Latin.

Mrs. James Burrows, who earned her degree at Ohio Wesleyan has taught Spanish at Bellevue for nine years.

Mrs. Cecile Brown who has completed her third year of teaching French here, received her B.A. from Baldwin Wallace.

Mrs. Roger Swartz, who received her degree from Ohio University improves the reading ability in her remedial reading class.

The library offers a great assortment of books covering a variety of subjects. Mrs. Robert Wagar, assisted by Mrs. Anthony Passarello, is constantly improving the selection of books. Mrs. Wagar returned to Bellevue in 1963 when our library broke affiliation with the public library. Mrs. Passerello began here a year ago March.

English Is Essential

Since it is necessary to learn to communicate in both oral and written forms, the study of English is of extreme importance to every student. Here at B.S.H.S. we are lucky to have an English staff very capable of this job.

The appreciation of English literature is taught to the Sophomores by Miss Penny Moore and Mr. Paul Sackett. The fundamentals in grammar and sentence structure are also stressed during the year.

Mrs. Ann Miller and Miss Penny Moore teach the junior English class to fully appreciate good literature and the American Heritage.

Miss Esther Schachtele prepares her senior English students for satisfactory college work in composition, grammar and literature. Emphasis is put on English literature during the senior year.

Correct diction and poise are taught to all speech students by Miss Penny Moore.

Exploring the Sciences

Mr. George Woodard
Mr. Herbert Wolfe

Sophomores are required to take biology taught by Mr. Lowell Shaffer, who has a Bachelor of Science from Ohio Northern University.

Mr. Burnell Hoffman, who acquired a Bachelor of Science from Bowling Green State University and a Master of Education from the University of Pittsburgh, also teaches sophomore biology as well as advanced biology which is offered to members of the senior class who maintained a ninety or above average in sophomore biology and junior chemistry.

Juniors may take chemistry, taught by Mr. Herbert Wolfe who earned a Bachelor of Arts from Heidelberg College, and a Master of Science from the University of Michigan.

Physics and physical science, two mechanical sciences taught by Mr. George Woodard, who received a Bachelor of Science from Ohio State University, are offered to members of the senior class.

Industrial Arts Are Beneficial

Industrial arts plays a vital role in the education of many B.S.H.S. students. A student enrolled in industrial arts participates in metal shop, auto shop, machine shop, blue print reading, mechanical drawing, or home economics.

Mr. Joseph Brugnone, Mr. Paul Shelly, and Miss Nancy Vogt instruct these classes.

Mr. Shelley gives excellent instructions in mechanical drawing I and II, machine shop, and auto shop.

Mr. Brugnone, who once attended B.S.H.S. as a student returned a few years ago to teach metal shop I, blue print reading and shop math. Driver's education, a form of industrial arts is also instructed by Mr. Brugnone.

Home economics, an important course to many B.S.H.S. girls, is taught by Miss Nancy Vogt. Beginning this year an additional home ec. course has been added. This home ec. IV A which is available to any senior girl who has not taken any previous home ec. courses, but would like to learn the art of homemaking before graduation.

Mr. James Gribble

Music Intrigues Students

The Bellevue Senior High School music department is provided for students to further their knowledge and appreciation of music. Mr. James Gribble, the head of the B.S.H.S. a cappella and sophomore choirs and the choraliers, has been a teacher at Bellevue for the past seven years. Under his direction the a cappella choir received a superior rating in the district contest held at Clyde.

The directors of the band this year were Mr. Robert Leckrone and Mr. Robert Dubert. The band, under their guidance, presented fine half-time entertainment for the football games and also two dress concerts throughout the year.

Miss Kay Stanton, a graduate from the University of Michigan, is the newest member of the music department. The orchestra members, under her direction, worked very hard and the result was a successful year of music.

Bellevue has a right to be proud of their music department, for it is one of the best in the state of Ohio.

Physical Education Is Vital

In order to keep each student at B.S.H.S. more alert and strong in body, physical education classes are given at least twice a week to all students. For one semester during the junior year, health is required each day as a regular subject, and then phys. ed. classes are again taught in the second semester.

The classes strive to gain an understanding knowledge of many different sports and the chance to participate actively in each one. This allows the students to achieve greater coordination and good sportsmanship. Some of the sports offered this year were fieldball, softball, volleyball, badminton, whiffleball, and ping pong.

The goals of Physical Education are successfully acquired under the expert direction of Mrs. Genevieve Pendleton and Coach Duane Warns.

Mr. Duane Warns

Math Is Basic Business Is Important

Occupying a large part of the cirucula at B.S.H.S. is the business department. Mr. Roby, Miss Wiggins, and Mrs. LaTour teach the business subjects.

Mr. Roby teaches Business English first semester and Business Law second semester. Bookkeeping and Business Arithmetic are also taught by Mr. Roby.

Miss Wiggins and Mrs. LaTour teach BOE I and II. BOE, Business Office Education, is a block course. The first four periods of the day are taught in one classroom with only the teachers changing rooms. Mr. Roby teaches Business Law and Business Arithmetic in the BOE department. Mrs. LaTour teaches Shorthand II and Typing II. Miss Wiggins teaches Shorthand I and Typing I in the BOE Department.

Math also occupies a large part in BSHS learning. Mr. Phillips and Mr. White head this department.

Mr. Phillips teaches Plane Geometry and Algebra I. Mr. White furthers a student's knowledge in math by teaching advanced algebra and advanced math.

A new course was added to BSHS this year. This is Distributive Education taught by Mr. Bruce Smith. Students enrolled in D.E. attend school in the morning and go to "on the job" training in the afternoon.

TUNE: IF I LOVED YOU

Bellevue High School
We will go but yet we know
What our school days have meant

Teachers' Guidance
Goals we have reached by their good hands
Memories of the past years

As we go into our future years
Past knowledge that has made
Our minds so strong

Now we're leaving into a world
Which is oh so new
Never never to know
How we loved you, Bellevue High School

Friends and classmates
We've had good times that we'll n'er forget
Joys and sorrows we've shared

Spirit has grown
Through our hearts into our halls
Which was part of our class

The light of knowledge leads a path for us
Into a journey of a thousand steps

Now we're leaving
Off we must go in the midst of day the
class of 67

Student Council Has Busy Year

The Student Council is a vital part of Bellevue Senior High School. It is an advanced and modern form of student government which involves not only the members, but the entire student body that elected these members to represent them and present their ideas before the school officials.

This year the Council took many steps to advance its positions in the school and prove its capability.

Under the leadership of President Bob Lepley and advisor Mr. Don Stonestreet, the B.S.H.S. 1966-67 Student Council was very active.

Probably the most important thing done this year was the establishment of an N.O.L. League Student Council. There was a dance held this spring for all the student councils from the league schools. This gave them the opportunity to exchange ideas for one big Student Council from the League.

The Council was also kept busy in such activities as the Homecoming Dance in the fall and a dance for the benefit of raising money for our pledge of $600 to the Tri-County College which is being built in Huron, Ohio. In the Spring a car safety check was taken of each car driven to school to make sure they were in good running condition. This was presented by the Traffic Safety Program. Another job done by the Council was the supervision of the cafeteria, which after some effort, was a success.

A Hall of Fame was started this year. This project will include all the people who have in the past or will have in the future contributed outstanding endeavors in both fields of academic and athletic in our school system. The Council took on small tasks, too. Some members of the Council rearranged the school's trophy cases. The group discussed many problems that confronted the student body.

On April 13th-15th John Archer and Roy Koch were sent to the State convention at Elyria and plans were made to send a delegate to the National Convention, held in July at Kelly's Island.

At the end of the school year, the Student Council elections were held with students promoting their favorite candidate. After all the campaign speeches are over, signs down, and candidates elected, it becomes evident that the new representatives will carry on with the same good leadership as those in the past.

Bellevue students are rightfully proud of their Student Council, since it is one of the most active and efficiently run Councils in the area.

Mr. Donald Stonestreet, Advisor and Bob Lepley, President.

Athletes Honored for Scholarship

On Recognition Day twenty boys were honored by being received into the National Athletic Scholarship Society. In order to be accepted into this honorary organization a boy must earn a major letter in a sport and, also, maintain an eighty-seven average throughout the year. The advisor for N.A.S.S. is Mr. Lowell Shaffer.

Seniors chosen are: Charles Sliter, Nick Stratso, Jon Schaefer, Mark Shelley, Jeff Reed, Bob Lepley, Joe Capizzi, Bill Steinke, Dave Doster, Dan Doster, and Tom Southworth. Those juniors elected: John Archer, Jim McCarthy, Bob Oddo, and Terry Shannon. Sophomores chosen: Charles DeLuca, Tom Nation, Mark Degler, Steve Krinke, and Dave Griffith.

DIAL Informs Students

The 1966-67 Dial, the school newspaper, consisted of feature stories, editorials, club news, and sports. The Dial Staff consisted of the twelve students who enrolled in the journalism class. The teacher and advisor was Mr. Paul Sackett.

For each issue of the Dial, an editor was chosen. It was that person's responsibility to give out the assignments and to make sure everyone was working to meet the deadlines. Mr. Sackett then checked the paper just before it was sent to the publishers.

The Dial, this year as in the past, was financed by the annual Magazine Campaign conducted at the Junior and Senior High Schools. The proceeds from these sales made it possible to distribute the school newspaper, free of charge, to the faculty and student body.

National Honor Society Inducts 17 New Members

Each year a surprise assembly is held in the spring so that special recognition can be given to those students who have excelled in all commendable aspects. The Alfred Ross Chapter of the National Honor Society inducts into full membership the members of the junior and senior classes of Bellevue Senior High School who have met the needed qualifications and attained excellence in the fields of character, scholarship, leadership, and service. During an impressive candlelight service, those students chosen for initiation by the faculty of B.S.H.S. are inducted into the honor society. Mr. David Cress is the society's sponsor and he conducted the initiation of the new members by administering the pledge.

In order to be accepted, the juniors must have a 90% average for their first two and one half years of high school, and the seniors are required to be at least in the upper third of their class. There are more seniors admitted each year due to the fact that fifteen percent of the senior class can be chosen, but the juniors are allowed only five percent. Seventeen people met these requirements this year and were inducted during the candlelight service conducted by the old members.

Staff Works Hard for Best COMET Ever

The COMET for the school year 1966-67 can be placed on the shelf along with the other COMETS, also considered the best ones. The fine work of the editor-in-chief, Terry Artino, and her executive staff was put into this event-filled COMET.

The executive staff consisted of the section editors and other diligent workers who accomplished a great amount of work in a short time. The section editors are as follows: Gina Mitchell, faculty; Debbie Stark, special events; Kathy Hosang activities; Pat Frost, senior section; Connie White, underclassmen; and Debbie Baldwin, junior high section. Other members of the executive staff included: Bonnie Rothermel and Barb Berry, business managers; Carol Sanders and Cindy Koehler, copy editors; Ann Baum and Sue Norman, typists; and Ronnie Dyke, photographer.

The business staff did their part by canvassing the downtown area selling advertisements and by selling COMETS to the student body. The members of the business staff also worked hard in writing articles for the yearbook.

The COMET, this year, is filled with many memories for the students, especially for the graduating seniors. These memories would not be here to enjoy if it was not for the tremendous coooperation expressed by the editor-in-chief, the advisor, Mr. Cress, and the COMET staff. As you turn the pages of this COMET, you can see their work and can be proud that our school had such a hardworking staff.

Editor-in-chief Terry Artino points out an article to Mr. Cress, the COMET advisor.

Thespians Induct Many New Members

During the school year, 1966-67, the National Thespian Society inducted ten seniors and twelve juniors into its organization. The society, Troup 173, is devoted to the advancement of dramatic arts in the secondary schools. Eligibility for membership depends on the number of speeches a student has in a play. A student must have a major role with seventy or more speeches, or a major role in two one-act plays consisting of thirty or more speeches. Any combination of committee work, minor roles, or back stage help will also make one eligible for membership.

Leading the society this year and initiating the new members were Bob Lepley, President; Jeff Reed, Vice President; Kathy Ware, Secretary; and Kathy Hosang, Treasurer. As a part of initiation the students are given parts to act out without scripts. The students act out parts opposite to what they are accustomed to. Seniors inducted into the society were: Jim Daniels, Ron Frank, Pat Frost, Cathy Geiger, Martha Harpster, Connie Johnson, Reid Meyers, Carol Sanders, Connie White, and Dennis Wolf. Juniors inducted were: Diane Burrows, Dixie Foster, Sandy Golden, Diane Helber, Larry Meyers, Lois Reffner, Jane Seaman, Terry Shannon, Steve Starr, Jan Ter Veen, Bruce Tornichio, and Bob Wagar.

Miss Penny Moore and Miss Esther Schachtele are the advisors.

Quill and Scroll Members Exert Great Effort

Due to the earnest efforts of the COMET and Dial staffs, accurate accounts are written to inform B.S.H.S. students of the many activities which have occurred throughout the school year. Into the hands of the staff members goes the task of writing, re-arranging, correcting, re-writing, and typing all the materials to be used for each article.

When a junior or senior has worked with much dedication and relinquished his time and talents for the sake of journalism, that student then becomes eligible for Quill and Scroll. A new prospective member must also be in the upper third of his class. Each year only a few are given the privilege to be elected to this national honorary society which requires such individuals outstanding work.

This year Quill and Scroll has elected ten new members. Juniors are: Barb Kosman, Vicki McDonough, and Robin Ullman. Seniors are: Terry Artino, Pat Frost, Kathy Hosang, Jeff Reed, Bonnie Rothermel, and Stasi Trimner.

Redmen Have Great Season Win NOL

Onece again our mighty Redmen brought home the Northern Ohio League Championship. The excellent coaching staff, team work, and spirit carried the team to a 9-0 record. Our men played some very rough teams, but put all they had into it and walked off the field with victory after victory.

The team started off the season with two nonleague victories. The first was over Port Clinton (28-6) and the other over Clyde (56-0). The Clyde game was the first under Coach Shaffer that the Redmen gained more yardage in the air than on ground. Upper Sandusky and Norwalk were next in line, but they also were defeated. Upper lost (28-8), while the final tally of the Norwalk game was (42-6). The Shelby game was one of the tough games of the season, but we wound up on the winning side by a score of 12-6. Next on the list was Galion. We knocked them down with a 14-6 score, bringing head coach Lowell Shaffer the honor of winning his one-hundredth game since he took over the Redmen in 1952. Hard work and a great desire to win teamed up to help us edge over Bucyrus when we handed them a 12-8 defeat. We then preceded to beat Willard (24-6) and Tiffin (36-0). After the Tiffin game, the team proudly carried their coaches to a victory shower. Later that night most of Bellevue assembled in the Senior High School auditorium for a pep rally.

The football season brought with it many injuries. Jeff Richards, one of the leading yard gainers, and Mike Leow saw no action following leg injuries. Jim McCarthy, another fine player, also missed some action because of mouth lacerations.

At the annual football banquet, officially ending the season, honors were bestowed upon the team members. Larran Meador received a trophy when named the most valuable lineman. Jem McCarthy received the Ted Sberna award and Jeff Richards was named the most valuable back.

Mr. Shaffer was assisted during the year by Mr. Burnell Hoffman, head line coach, and Mr. C. Richard Faulkner, who worked with the tackles and defensive ends.

These devoted coaches, combined with school spirit, outstanding team ability, and support from the community all helped to bring the Northern Ohio League Trophy home where it belongs!

Reserves Show Ability and Fine Sportsmanship

The 1966 Reserve Football team, under the excellent coaching of Mr. Robert Bailey and Mr. Donald Roby, finished the season with a record of five wins and three losses.

The season opened with Bellevue defeating Port Clinton 15-0. The Junior Varsity then rallied with the Norwalk Truckers edging out on top with a score of 14-12. Bellevue realized their third victory by dumping Perkins' Pirates 12-6. The first loss of the season was to Tiffin Columbian. After a thrilling game, the Tornadoes found themselves ahead at the final seconds 8-7.

Victory came once again to Bellevue's Junior Redmen in the form of a 24-0 win over Norwalk. Galion came on like a storm the next week to trample us 14-6. When Shelby, our arch rival for a number of years, met with us, the score ended 8-0--in our favor! Although the Junior Varsity played a fine last game, Willard won the last game with a final tally of 20-14.

Although the Bellevue Reserves did not win all of their games, these boys played to the peak of their ability and displayed fine sportsmanship throughout the year. These Junior Redmen show great promise in the season to come.

Varsity Basketball Team Has Great Season

Our great Varsity Basketball coach, Mr. Duane Warns.

The Bellevue Redmen completed the 66-67 season with a 14-4 record. Coached by Duane Warns, the team thrilled spectators at all games. The team won their first three games, but was stopped by Willard losing by a heart breaking point, 59-58. The Redmen's fate changed after their defeat. In the next four games they defeated Bucyrus, Clyde, Vermilion, and Tiffin. The biggest thrill for Bellevue fans came when the Tribesmen upset the powerful Tiffin squad 58-55. After this big victory in the next game, the Redmen were defeated by powerful Sandusky. The next seven games brought victories to the team from Galion (twice), Huron, Upper Sandusky, Norwalk, Shelby, and Willard. Bucyrus won a close game 68-66 against the Redmen "5". The last game of the season saw Tiffin at Bellevue which decided the N.O.L. Championship. Both teams showed championship form, and in the final seconds Tiffin managed a narrow 44-41 victory, as Bellevue finished as runner-up.

The Redmen also did an outstanding job in tournament play. The opener was an exciting victory over Perkins 74-48. That weekend, Bellevue beat Norwalk to earn an opportunity to meet Huron. The Redmen proved too strong for Huron, and now earned a trip to Bowling Green and a chance to defeat Eastwood at the University Fieldhouse. Buses were chartered by the school to take the Pep Club and any student wishing a way to the game. This was the first time the Redmen went to the Super Sectionals since 1954. Both teams gave a fine showing, Eastwood the victors 58-46. This was the first time the Redmen went so far in a tournament since 1950, and the best season record since 1954.

Tri-Captains Dan Doster, Dave Doster and Hollis Haff led our team to many thrilling victories. Four of our starting five were named to the N.O.L. All-League Team. Hollis Haff was named to the 1st team and Dave Doster was chosen for the 2nd team. Receiving honorable mention were Ron Herner and Tom Smith.

The Reserve basketball team gave a fine performance on the courts this year. They finished with a fine record of 15 wins and only 3 losses, despite the fact that they faced some rugged competition.

Members of the squad are Tom Nation, Randy Santoro, Charles Ford, Mark Degler, Doug Zimmerman, Pat Collins, Tim Bauer, Tom Sweigard, Jeff McClain, Dan White, Greg Garman, Steve Krinke, and Gary Schrickel. Coach Sam Schubert again coached the team.

Tom Nation led the team in rebounds, and Pat Collins was next. Nation was also high point man with Randy Santoro second high.

Bellevue Matmen Work Hard This Year

Although wrestling is relatively new at B.S.H.S., it has taken its place among Bellevue's finest sports. The team compiled a 7-3 record. With five returning lettermen, Bill Kramer, Greg Crosby, Roger Rowland, Dave Ray, and Larran Meador, and the remaining six Varsity wrestlers. Dave Griffith, Chuck DeLuca, Rick DeLuca, Joe DeLuca, Tom Ray, and Nick Stratso, the team completed a good season. Bob Bailey and Ron Roby, the proud coaches, worked hard with these boys and stood behind them at all meets.

B.S.H.S. had a team worthy of the two trophies they brought home from Milan and Perkins. At Milan the team won with a total score of 99. First place winners were Chuck DeLuca, Nick Stratso, Bill Kramer, Roger Rowland, and Larran Meador. First place winners at Perkins were N. Stratso, B. Kramer, Greg Crosby, R. Rowland, and L. Meador. The team scored 98 points to come in first again.

Other than these two tournaments, the team's greatest victory was over undefeated Milan.

Chuck DeLuca, Nick Stratso, Bill Kramer, Roger Rowland, and Larran Meador won at the Sectional Tournament at Clyde to compete in the District Tournament at Toledo Whitmer. Stratso's victory at Toledo advanced him to the State Tournament at Columbus.

Nick deserves special attention because he is the first Bellevue wrestler to advance to State. Bellevue is very proud of Nick. His great achievement takes its place among B.S.H.S.'s many athletic honors.

The reserve wrestlers ended their season with a 5-3 record. Several times during the season, many of the reserves gained experience wrestling in varsity competition.

B.S.H.S. Senior Goes to State Wrestling Tournament

Emerging from the Sectionals held at Clyde, Nick Stratso won in the first round of action by a score of 1-0 at the District Tournament held at Toledo Witmer High School. However, he was defeated in his second round match 4-1. Nick then advanced into the consolation matches where he won by scores of 6-1, 4-2, and 6-4. At the State Tournament in Columbus, Nick was defeated in the first round by a lad from Mayfield, 10-2.

Bill Kramer is really putting the pressure on his opponent.

THE 1967 BELLEVUE HIGH SCHOOL TRACK TEAM

BHS Thinclads Had Good Season

This year's Bellevue High School track team appeared much improved over last year's squad. The team opened the season with success by defeating Perkins. Bellevue gave a good account of themselves in the second meet of the season even though they were defeated by Tiffin Columbian, the defending N.O.L. Champions. Paul Miller established a new Bellevue record in the two mile run with a time of 10:49.9.

Bellevue scored their second win of the 1967 season by defeating visiting Galion. Shelby proved to be too much for the local lads when they traveled to that community. The B.H.S. Thinclads placed second in a triangular meet with Clyde and Upper Sandusky. One of the outstanding performances of the afternoon was by Randy Ladd who smashed the local pole vault record.

Coach Sam Shubert's local lads rallied at Bucyrus to win by a score of 83-44. Willard nosed out Bellevue in the next meet 67-60.

In a good pertormance, Bellevue won thirty points to place fourth in the Bucyrus Relays. At this meet Larran Meador won the shot put event and Randy Ladd won the pole vault event. Next, Norwalk crushed Bellevue by a score of 82-45.

On Saturday, May 8, Bellevue traveled to Tiffin for the annual N.O.L. Field and Track Meet. Bellevue won fifth place. Ladd established a new pole vault record when he cleared 12'4". Meador captured the N.O.L. title in the shot put when he tossed the iron 50' 2 1/2". The Bellevue Thinclads again proved victorious in a triangular meet with Attica and Thompson.

Bellevue failed to win any events at the District Class AA Tournament at Sandusky.

Golf Team at BHS Has Very Active Season

The 1967 Varsity Golf Team did quite well this year, in fact this was their best year yet. They ended the season with eleven wins and only six losses. The golfers were played with very uncooperative weather. Depite this they came through and were a team Bellevue can be proud of.

Sleepy Hollow was the home course again this year and as usual each match consisted of the usual nine holes.

The varsity team consisted of only one senior, two juniors, and one sophomore; Reid Meyers, Bill Wenner, Bob Oddo, and Pat Collins. The Junior Varsity Golf Team consisted of one junior and four sophomores; Jan Terveen, Vince Loparro, Nelson Seip, Roger Bickhart, and Mike Tonovitz.

The J.V.'s lack of experience did not hamper them too much as they wound up with a record of six wins and two losses and one tie. They did a fine job and should be proud of this record.

With only one member of the team graduating, Coach Faulkner can look forward to an even better year in 1968. They say it is experience that counts.

Tennis Team Captures '67 Co-Championship NOL

The '66-67 tennis team, under Coach Paul Sackett, finished the season with a 7-1 record. The racquetmen became Co-Champions sharing the N.O.L. Crown with Shelby. The team had five returning lettermen. They were Rick DeLuca, Van Loudenslagel, Bob Haffey, Joe DeLuca, and John Archer.

The Co-Champs had no trouble defeating Galion 5-0, but their first game on local courts with Shelby was a "nail-biter". The team defeated Shelby 3-2. They defeated both Norwalk 5-0, and Galion 4-1. Their toughest competitor Shelby conquered the racquetmen in their second match 3-2. Meeting the Fremont Ross Team, the team slipped by the opponent 4-3. The team finished their season by defeating Norwalk 5-0 and Crestline 6-1.

At the Sandusky Sectional Tournament, both double teams lost. Rick DeLuca defeated Jon Zine from Fremont Ross and continued to win by defeating Ray Hughes from Norwalk and Mike Coles from St. Mary's. Rick was seeded second at the Sandusky Sectional Tournament. He was the only member of the team to have the opportunity to go to District at Toledo. There he lost to Gary Lea from Toledo Bousher.

Rick DeLuca, who holds the number one position on the team, ended the season with a 8-3 record. The doubles team, John Archer and Bob Haffey finished with a 6-2 record.

Pepsters Cheer Redmen to Victory

The Organized Cheering Section shares with the cheerleaders, the responsibility of maintaining school spirit. The organization is open to all high school students in grades ten through twelve. The advisors are Mrs. Genevieve Pendleton and Miss Penny Moore. The main function of this organization is to support the athletic teams of our school. The Organized Cheering Section meets weekly after school during football and basketball seasons under the supervision of the cheerleaders to learn the various cheers. The members of the organization also painted local store windows on nights previous to the games, made posters and tags, and participated in skits at the pep rallies to help keep the school spirit thriving.

This year the members of the Organized Cheering Section wore red skirts, white oxford blouses, and red "B" emblems. They also used red shakers. This created a very pleasant appearance since the group sits together in a section reserved for them.

The enthusiasm of this organization spread not only to the home games but to the out-of-town games as well. The group went to several away games and buses were chartered to transport them and other members of the student body to Bowling Green for the Eastwood versus Bellevue tournament game.

Cheerleaders Boost Spirit

Bellevue fans were led in supporting the teams by the 1966-1967 Varsity Cheerleaders. Heading this year's group was Carol Raish. Other cheerleaders were Karen Mitchell and Karen Dendinger, seniors; and Jane Seaman and Verlea Frederick, juniors.

The girls carried out the school colors, red and white, in their outfits. During football season the girls wore red herringbone skirts, topped with red trimmed letter sweaters. For basketball they substituted over-vests of matching herringbone for sweaters.

With the closing of basketball season Carol Raish and Karen Mitchell both completed two years of varsity cheering with one year of reserve. Karen Dendinger served one year on the varsity squad. Verlea Frederick and Jane Seaman both completed one year of varsity cheering and one year of reserve cheering. Besides the rigors of cheering, the varsity cheerleaders were also in charge of Bellevue's Pep Club.

This year's Reserve Cheerleaders were headed by Gina Oddo. Becky Butz and Sue Ricci were the other members.

At the end of the year the new cheerleaders were elected as follows: Verlea Frederick, head; Jane Seaman, Gina Oddo, Becky Butz, and Sue Ricci.

ROYALTY

Queen Judy Reigns Over Homecoming Festivities

Every year about the middle of football season the time comes to choose a Homecoming queen and her court. The senior boys from the football team and student council meet to nominate the girls they wish to represent B.H.S. Three nominees are chosen for each the junior and sophomore classes. Five girls are nominated for the senior class. This year's nominees were sophomores--Mary Kellerman, LaRose Lodge, and Jeanie Tea; juniors--Barb Ellison, Martha Manasco, and Debbie Haigh; and seniors--Kay White, Shirley Thonen, Judy Farris, Kathy Keiser, and Terry Artino. The entire student body votes for a queen and attendants. During a pep assembly the queen and her court are presented. This year's queen was Judy Farris. Judy's attendants were Kay White, Shirley Thonen, Martha Manasco, and Jeanie Tea.

A cool autumn evening marked the October 14 Homecoming festivities at Harmon Field. The queen and her court entered the west side of the field in convertibles. Sophomore attendant, Jean Tea was escorted to the field by Steve Krinke. Junior attendant, Martha Manasco and her escort Roy Koch followed. Senior attendants, Kay White and Shirley Thonen were accompanied by Van Loudenslagel and Reid Meyers. Finally, the crown bearer, Steve McConkey and, the flower girl, Dana Didion preceded her majesty Miss Judy Farris, escorted by Roger Rowland, onto the field. The band played a fanfare in honor of the lovely queen as she approached. Queen Judy was crowned by, Student Council president, Bob Lepley. He then presented her with the royal bouquet and bestowed the traditional kiss. The queen was then honored by a royal cheer. The court then retired to the sideline to reign over the Bellevue-Galion game.

Later, all activity adjourned to Bellevue Senior High School where the annual dance, sponsored by the Student Council, was held. Co-Captains, Dave Doster, and Larran Meador, shared the first dance with Queen Judy and hours later, as the dance was enjoyed, this memorable event came to a close for another year.

"Mistletoe Magic"

Many couples enjoyed dancing to the sound of Ernie Duffield's orchestra.

Jacquie and Tom enjoy the Royal Dance.

On the night of December 17 our high school was transformed into a fantasy land of "Mistletoe Magic." An enormous but beautifully constructed mistletoe ball, revolving from the ceiling of the cafeteria, caught many couples eyes as they danced to the strains of the Ernie Duffield Combo.

The hallway was converted into the main street of a town from the ninteenth century. The classroom windows were decorated to resemble a dress shop, book store, couriers shop and a general store. Refreshments were served in the lobby which was transformed into an old fashioned sidewalk cafe. Members of the F.H.A. club saw that hungry dancers were adequately fed.

The highlight of the evening was at intermission when Debbie Haigh, vice president of the Future Homemakers and acting mistress of ceremonies, announced and crowned the King and Queen of Good Will. The royal honors went to seniors Tom Hollingsworth and Jacquie Eisenhauer. Crown bearers Marlene Deeter and Mary Prendergast assisted the mistress of ceremonies. The couple enjoyed the royal dance and then ruled over the remainder of the festivities.

To keep B.S.H.S. in the Christmas spirit until vacation arrived, the glittering decorations remained about the halls and cafeteria, reminding all of the sparkling enchantment of "Mistletoe Magic."

The annual Christmas dance was sponsored this year by the Future Homemakers of America. Members of the organization worked diligently under the direction of the club advisor, Miss Nancy Vogt, to provide an especially enjoyable and memorable evening for all.

1967 Jr. Sr. Prom

This year's Junior-Senior Prom was based on the theme "Southern Mansion." The Junior Class financed and worked on the dance which honored the Seniors.

On the evening of April 29th the couples danced in the gymnasium of the Junior High, which had been transformed to resemble the lawn of a southern mansion.

The lawn itself served as a dance floor. The couples entered over a cleverly designed bridge, which also served as an excellent place for picture taking.

The tables of the prom were appropriately decorated with powder blue and white, the colors of the class of '67. Wishing wells, which served as center pieces, were made available to each girl at the prom and tallies of powder blue were given as souvenirs of the evening.

Junior Class President Bob Oddo and his date, along with Senior Class President Ron DeLuca and his date, led the Grand March which opened the evening of fun and dancing.

The couples danced until intermission when the class presidents announced and crowned the queens. Chosen as Senior Queen was Linda Grimm while Cindy Huffmen was the royalty chosen from among the Junior girls.

Also during intermission the Seniors sang, for the first time, their class song. The lyrics were written by Carol Raish, who directed the song. It was sung to the tune of "If I Loved You."

Cake, punch, and ice cream were served as refreshments by members of the sophomore class.

Paulette Daniel acted as general chairman of this year's prom. The junior advisors, along with the school officials, served as chaperones.

First Year of B.G.C.A. Very Successful

B.G.C.A. President and Advisors: Miss Moore, Martha Harpster, Miss Vogt.

The Bellevue Girls Christian Association was developed as an independent organization this year. During the summer, the cabinet and advisor, Miss Moore met and began plans for the new organization.

The central basis of B.G.C.A. deals with Christian ideals. The symbol of B.G.C.A. is the gold cross with red letters, B.G.C.A. diagonally across the cross.

B.G.C.A. was able to have many social activities, service projects, and guest speakers. Two social activities were the barn dance and the Sadie Hawkins dance. For the barn dance, the cafeteria was the scene of a hay loft, cows, horses, a moon, and lots of hay. Square dancing provided the entertainment. The Sadie Hawkins dance was again the scene of a barn. The center of attraction was the "Marrin' Sam" corner.

The club began a memorial to Sherian Harmon, Jan Mathias and Suzanne Meacham. The memorial is to be a book consisting of letters about school activities from all over the world. Another project was the United Selective Fund Drive. B.G.C.A. also donated two hundred dollars to the COED program.

At Christmas Father Kehres spoke. Mr. Napka poke at one meeting on adult-student relations. Mrs. Bette Cole also spoke in the spring on wigs.

Hi-Y met with B.G.C.A. for the Christmas meeting. They also met with Hi-Y again for a meeting in which Nancy Hillhouse, Miss Vogt, and Mr. Woodard spoke on college life. In the spring the two clubs met for a play night at the high school gym.

The last meeting was the Mother-Daughter Banquet. The new B.G.C.A. had a successful first year.

Cabinet--ROW 1: D. Hillhouse, P. Scagnetti, C. Segna. ROW 2: P. Fiscus, M. Idle, G. Grote. ROW 3: C. Huffman, L. Lodge, C. McWilliams. ROW 4: M. Cole, S. Snyder, P. Seltzer. ROW 5: J. Eisenhauer, P. Hoffman.

Officers: Pat Close, Pam Pierce, and Mary Galbraith.

Hi-Y Members Enjoy Many Activities

The fifty-nine boys in Hi-Y met under the supervision of Mr. George Woodard and Mr. Wilbur White to have a very successful year. The positions of president, vice-president, secretary, treasurer, and chaplain were filled by Bruce Nottke, Joe Juliano, Tom Kuhn, Roy Koch, and Ken Didion, respectively.

This year in the annual candy sale the organization topped all records. They sold twelve hundred boxes of peanut brittle. Some members of the club felt that the sales could easily be doubled and decided to take the project on with more determination. Each boy did his share to make the new project worthwhile. The amount sold this year doubled the sales of previous years. The members are to be highly credited for their achievement.

The year began with the formal initiation of new members. This was a parents-son night. It was a very religious, candle-light service.

The Hi-Y club also sponsored dances throughout the year. The proceeds from the dances after the football games went to the YMCA organization. Approximately one hundred twenty-five dollars was donated in 1966-67.

Other than their bi-monthly meetings, the club engaged in many activities. The members traveled to a Bowling Green State University game. They had several combined meetings with the Bellevue Girls Christian Association. The combined meeting at Christmas had Reverend Kenneth Kehres as the guest speaker. The talk was on modern moral ideas. After Christmas, the two clubs again met for a college talk. Nancy Hillhouse was the guest speaker. Miss Nancy Vogt and Mr. Woodland added their experiences to the discussion of college life. In the spring the Hi-Y met with B.G.C.A. again for a play night of volleyball, ping-pong, and tumbling in the high school gym.

The Hi-Y year closed with a successful and well rounded program.

F.H.A. Presents "Mistletoe Magic"

The Future Homemakers of America is the school organization which is concerned with domestic and cultural life of students. To encourage democracy in home and community, to work for good home and family life for all, and to promote international good will are just a few of the many purposes behind Bellevue's F.H.A.

The F.H.A. officers, under the direction of Miss Nancy Vogt, were Reba Barton, president; Debbie Haigh, vice-president; Agnes Weidinger, secretary; Judy Ferres, treasurer; Rosemary Baur, historian; Sheila Scott, parliamentatian; Judy McCrary, news leader; and Kathy Keller, song leader. Also contributing much to the success of the club were the chapter mothers, Mrs. Reno Barton and Mrs. Thomas Haigh.

The organization had a very active year. At the beginning of the year the club sponsored a car was to gain additional money. In December, came a very important event. The F.H.A. was in charge of the annual Christmas Formal. The girls worked very hard to make it a very enjoyable evening for for all. On January 25 Norwalk's Future Homemakers were invited here for a "Volleyball Party". In March the annual Mother-Daughter Pot-Luck dinner was held. The most important event of the year came in May. This was the Style Show and Tea. At this social gathering the girls were given a chance to show their achievements in sewing by modeling the clothes they had made during the year.

This year six members, Miss Vogt, and the chapter mothers attended the Future Homemakers of America Convention. The six members were Reba Barton, Fran Chumley, Pam Hosang, Kathy Keller, Rosemary Baur, and Anne Breon. The convention proved to be very helpful to the organization.

F.T.A. Members Aid Numerous Teachers

The Zellah Bell Chapter of the Future Teachers of America brought many interesting meetings to its members this year. At the November meeting Mr. Peter Twerpitz, a student from Germany, gave a very interesting and amusing talk about the German school system. At other meetings the speakers were Mr. Bruce Smith, the Distributive Education teacher, and Mrs. McCutcheona, teacher from the school for retarded children in Norwalk. In the annual Mother-Daughter-Son Tea held in March the speakers for the evening were Miss Vogt and Mrs. Swartz. These two recent college graduates told of the differences of campus life in a small and a large college. A number of F.T.A. members also traveled to Monroeville in March to hear the guest speaker Mr. Widner, the O.E.A. consultant to the F.T.A.

The leaders of tomorrows teachers, under the direction of Mrs. Ann Miller, were Cindy Koehler, President; Terry Artino, Vice-President; Verlea Frederick, Secretary; Barbara Beery, Treasurer; and Chris McWilliams, Historian.

Throughout the year, some of the senior members of the Future Teachers offer their services by taking over certain classes in the absence of the teachers. Then, again in the spring all of the seniors are given a chance to student teach in the grade of their choice. Also, at this time the juniors and sophomores are given a chance to observe in an actual classroom. All of the members found this very valuable experience.

The purpose of the Future Teachers of America, as stressed throughout the year, was to build strong characters and firm ideals and to become worthy of the high position of a future teacher.

Students Aid Librarians

This year the Library Club, headed by Mrs. Wagar and Mrs. Passarello, made many changes in the library. The club supervised the mounting of the Phillippine Flag given to the high school by Arturo Valdez. They also bought seven art prints to be displayed on the bulletin boards.

The officers of this year's club were President, Gordon Shafer; Vice-President, Becky Swift; Secretary, Dianne Burrows; Treasurer, Charlene Eckelberry; Historians, Helen Goss and Susan Williams. The club meets on the first Monday of every month. Miss Penny Moore and Miss Nancy Mizer took the members on a European tour with the slides and souvenirs they brought back from Europe. At the Christmas meeting, Reverend Lowenbergh spoke about his favorite Christmas picture. The highlight of the year was a trip to Mt. Gilead High School for a Student Librarian Association meeting. Twelve Bellevue members took part in this gathering of student librarians from all over Ohio.

The main purpose of Library Club Members is to assist other students in their use of the library.

Math Club Members Plan Meetings

Led by President, Jim Sanders, the Math Club met every first and third Tuesday under the direction of Mr. Phillips and Mr. White. The other officers are: Vice-President, Jim Daniels; Secretary-Treasurer, Barb Kosman; and News Reporter, Mary Cloud. Each member was given the opportunity to plan the program for one of the meetings. The club spent a few meetings on the study of the slide rule. Many of the programs proviced the club with many challenges such as solving math problems, math puzzles, and jokes. They also studied new theories of math. The members of the club toured the Northern Ohio Telephone Company, looking at the company's commuter system. Math Club is an organization offered to anyone who is interested in mathematics.

D.E.C.A. Members Work On-the-Job

A new vocational course has been offered to the students at Bellevue High School this year. Distributive Education I is open to students in grade eleven. Students enrolled in this course should plan on continuing in Distributive Education II in their senior year. Distributive Education I meets one period each day and includes the study of merchandising, sales, and business operation.

Distributive Education II is open to students in grade twelve. This course provides a more intensive study through classroom instruction as well as on-the-job experience in a business establishment in the community. The students met two periods each day in the classroom. In the afternoon they then had three hours of on-the-job experience. This experience includes application in such skills as good salesmanship, merchandising, merchandise display, business operation, advertising, and window display. This course not only provides the student with the opportunity to prepare for a future in the business world, but also gives them the opportunity to earn money for their services.

Under the direction of Mr. Bruce Smith, the members of these classes have formed an organization called the Distributive Education Club of America. The officers are as follows: Bruce Carley, President; James Weasner, Vice-President; Kay White, Secretary; and Mary Ann Nicely, Treasurer.

At the D.E.C.A. meetings the members discussed the facts about the National D.E.C.A. Convention and possibility of several projects throughout the year. Although the club just got started this, it tried to prepare its members for a successful future in the business world.

Business Club Plans Meetings for First Year

With the growing number of Bellevue business students, the need for an outlet of developing further interests was present. The new BOE business program helped to bring out the necessity of a business club. Mr. Roby, Mrs. LaTour, and Miss Wiggins saw this need and formed the new Bellevue Business Club. At the present time the club is not affliated nationally. With the help of the three advisors, a few students drew up the constitution.

In November the students met to vote on the constitution and elect officers. Sue Norman, Ann Baum, Ann Williams, and Linda Grimm were elected to the positions of president, vice-president, secretary, and treasurer, respectively.

At a formal installation, thirty-four members were installed into this new organization. Other than dealing with business aspects, the members also participated in a picnic, style show and had a guest speaker. A spring installation dinner closed the year's activities.

The organization has had a fine start and under good supervision has helped to add interest and enjoyment to the ever-growing business profession.

"The Beat Goes On"

This year, Bellevue's third annual Talent Show was visited by an overflow crowd of about 1250 people. The theme being "The Beat Goes On" was represented by twenty-three varying acts from the period of time of the Roaring Twenties to the Soaring Sixties. The acts varied from magic, singing, and instrumental talents to dancing and the well-known rock and roll groups, "The Phinx" and "The Undecided".

It was a Student Talent Show--just what it says. This show was entirely produced and directed by the students themselves. Two very outstanding student organizers were Dixie Foster and Bruce Nottke with the assistance of Mr. James Gribble and Mr. Robert Leckrone.

This show is strictly voluntary as that you sign up to be tried out. A show committee is then set up to judge the acts as they try out. Each act is judged on four basic points: 1) Audience appeal, 2) Originality, 3) Presentation, and 4) Suitability. This Planning Committee will rate your act from one to five.

A Cappella Choir Receives Three I Ratings

"Oh-Ah-Oh" "No-Na-No" "One, three, five, three, one" --These are some of the articulation and oral perception studies attempted by the a cappella Choir in their daily rehearsals. These along with many other fundamental exercises increased the music ability of the group. Under the direction of Mr. James Gribble, the Choir presented many excellent performances during the year.

In tribute to the holiday season, the a cappella Choir presented its annual Christmas Concert on December 18th. The concert was enhanced by the choral groups excellent performance and sacred music. The conclusion of this program was a candlelight carol sing with the Orchestra, Sophomore Choir, the a cappella Choir and the audience participation. Also during this season, the Choir with the speech department presented a Christmas Assembly.

March was the month of contests for both individuals of the Choir and the Choir as a whole. In District Contest at Clyde, the members and Mr. Gribble were very grateful to receive an I rating.

On April 1st the Choir traveled to Mentor, Ohio to perform an exchange concert with the Mentor a cappella Choir. The following weekend, Mentor came to Bellevue to present the same concert. Both of these concerts were very successful.

The Choir made another fine showing April 28th in the N.O.L. Music Festival held at Shelby. The other schools participating in this event were Norwalk and Shelby.

In May the a cappella Choir presented its most splendid performance of the year. Colorful costumes, staging, lighting effects, comedy, dance routines added much to the successful "Popular Music Concert". Thus leadership, cooperation, concentration, and dedication of each Choir member resulted in another truly successful year.

President Bruce Nottke talks to Mr. Gribble about an upcoming concert.

"An Evening of Popular Music"

The A Cappella and Sophomore choirs presented "An Evening of Popular Music" at the annual Pops Concert on May 19-20. This year the choir members produced and directed the production entirely. Under the supervision of Director James Gribble they have written the script, planned the staging and costuming and organized the entire show.

This concert was divided into five parts, each spotlighting a different section of the choir. The boys opened the show with a "typical" school day in the 20's or 30's. These little brats sang such songs as "I Scream, You Scream, We All Scream for Ice Cream", "Camp Granada", and "Battle Hymn of the Children."

The popular Choraliers were then featured. They did famous songs from Broadway musicals and movies, including "Hey Look Me Over!" from "Wild Cat" and "There is Nothing Like a Dame" from "South Pacific."

The girls from both choirs split up into groups and presented routines to a wide variety of songs. Song which were included were "I'm Gonna Wash That Man Right Outa My Hair", and "Happy Talk" from "South Pacific", "Tip Toe Thru the Tulips", "Zip-A-Dee-Doo-Dah", and "I've Got Rhythm."

Next the a cappella choir were featured doing hit songs from "Carousel." In the midst of a New England fishing village the choir sang "You'll Never Walk Alone", "If I Loved You", and "June is Bustin' Out All Over."

To conclude "An Evening of Popular Music" both choirs combined and presented the patriotic climax of the program. Using the color scheme of red, white and blue, the choir sang "America The Beautiful", "America, Our Heritage", and "Battle Hymn of the Republic." Jim McCarthy recited readings of traditional patriotic literature.

The boys in Choraliers perform as the girls look on.

Sophomore and A Cappella choirs combined doing the patriotic portion of the program.

Sophomores Train for Higher Goals

The Sophomore choir, under the excellent direction of Mr. James Gribble, is composed of 80 select music students.

For many of these students, membership in the sophomore choir is the major step preceeding membership in the a capella choir which is made up of select members of the sophomore choir.

The sophomore choir devotes most of its time to the study of the fundamentals of music.

Performing in the Christmas concert, the choir sang several numbers dealing with the holiday season, and then combined with the a capella choir for the impressive candelight finale.

Another big date on the sophomore choir calendar was the annual Pops Concert, held on May 19 and 20. Besides singing in the Pops Concert, the choir contributed many hours to working on committees, canvasing the town to sell tickets, and working backstage to made the concert a success.

When the visiting Mentor Choir performed in Bellevue, the sophomore choir helped the a capella choir sell tickets and usher.

Officers chosen at the beginning of the year were: Mark Degler, President; Jude Loudenslagel, Vice-President; Bonnie Herner, Secretary, and Dave Griffith, Treasurer.

Orchestra Presents Fine Concerts

Sounds of music were heard drifting through the doors of room #24 each morning during the first period. Here, many young musicians met and combined their talents to compose the Bellevue Senior High School Orchestra.

The orchestra, under the direction of Miss Stanton, worked diligently to prepare many fine programs which were presented throughout the year.

Due to the comparatively small membership this year, the orchestra was not able to take part in the NOL league festival.

Also, becuase of small membership, no officers were elected during the year. Instead each member contributed his best efforts to the success of the orchestra.

Many fine concerts and programs were presented by the orchestra during the year. The spring concert and the all-city concert were combined and presented to an audience of ardent music fans on Sunday afternoon, April 9.

Other programs presented by the orchestra were many in number and excellent in content. Variety was added to the annual BSHS Christmas assembly as their playing brought the traditional carols to life once again.

The BHS orchestra also performed at the SENIOR play, the National Honor Society assembly, and Baccalaureate and Commencement exercises.

Band Provides Many Fine Half-Time Shows

The Bellevue Senior High School Band, led by Mr. Robert Leckrone with the assistance of Mr. Robert Dubert, had a very sucessful year. The officers of this year's ninety member band were Dennis Wolfe, president; Kathy Geiger, vice-president; Pat Neill, secretary; LeRose Lodge, treasurer; Pat Griffith, senior representative; Lynn Zechman, junior representative; and Jim Redd, sophomore representative.

The band members combined their efforts to provide many outstanding half-time programs during football season. This year the senior members of the band exhibited their talents by composing a half-time show. This show was one of the most original, complete with majorettes twirling fire batons. When basketball season rolled around a select group called the Pep Band provided the warm-up music for the players and the half-time entertainment. They also added spirit to the pep rallies.

Another specially selected group was the Dance Band. The find music of this group added greatly to the annual talent show.

The concert band presented two fine dress concerts this year. The first was in March and the other in May. These were well attended and liked by all.

Bellevue's band participated in the District Contest held at Clyde this year. The band members worked hard for this. They also marched down Main Street in several parades.

At the end of the year the band members were individually recognized with a dinner and program sponsored by the Band Boosters.

The Bellevue High School Band deserves much credit for a very eventful year.

G.A.A. Members Attend Play Days

To become a member of the Bellevue High School Girls' Athletic Association, a girl must earn at least 80 points during the year by participating in the intramural program offered to all interested high school girls. After attaining membership in this organization, each girl works toward a total of 250 points, which will enable her to receive a letter. An activity pin is awarded to each girl who accumulates 400 points. A G.A.A. medal is awarded to the one senior girls who has attained the most points, recognizing her outstanding athletic achievements throughout her high school career.

During the year, the G.A.A. hosted the Junior High, Clyde, and York girls at a volleyball play day.

To raise money, members of the club ran the concession stand at a local basketball game.

Elected by the members of the club and serving as president, was Chris Segna. She assisted by Fran Chumley, vice president. Vicki McDonough held the office of secretary and Terri Gilbert assumed the role of treasurer.

Seniors Present Three One-Act Plays

The seniors tried something new this year by presenting A Night of Plays. The "Farmer's Daughter," a melodrama, takes place in the livingroom of the McDougal family. Sally McDougal is tricked by the villain into turning over her entire live savings, $300, to him on the promise that he will marry her, take her to Broadway, and make her a star. Poor Sally is deserted at the altar, and is left broke and broken-hearted. But all turns out well when the villian is exposed and Sally falls in love with Willie Singletree.

The second play, "The Half Hour," takes place at Long Eve Resort. Mrs. Carlson and Mrs. Lent talk about an ancient superstition that the ghost of a drowned man will not be free until another man drowns. Mrs. Carlson tries to convince Mrs. Lent that her husband has drowned, but Mrs. Lent does not believe her. At midnight Mrs. Lent receives a ghostly visitor, who informs her of her husband's death.

"No Greater Love," a serious play, rounds out the Night of Plays. Dr. Cain wishes to continue his work in the city for his own welfare, rather than follow his dead father's wishes that he take up practice in their mountain village where a doctor is needed greatly. A crisis in a neighboring family convinces Dr. Cain that the village needs a doctor and he should be that doctor.

The three plays were directed by Mr. Paul Sackett.

Willy Singletree (Bob Burns) is very happy because he has his girl Sally (Carol Sanders) and has killed the villain (Ron Frank). Sally's parents (Reid Meyers and Connie Johnson) and her sister (Connie White) look on.

Dr. Cain (Dennis Wolf) argues with his mother (Pam Hoffman) and his girlfriend (Martha Harpster) about staying on in his hometown.

Mrs. Lent (Kathy Ware) talks with the Spirit (Jim Daniel) about her missing husband.

Stephen Spettigue tries to catch Charley's Aunt, but she is really Lord Fancourt Babberley in disguise.

On April 21 and 22 the Junior Class presented "Charley's Aunt," a three act comedy by Brandon Thomas.

Jack Chesney, violently in love with Kitty Verdun, and Charles, equally enamored of Miss Spettigue, invite the young ladies to their rooms for luncheon--in order to meet Charley's wealthy aunt from Brazil ("where the nuts come from"). But alas, the millionaire aunt sends word that she will have to defer her visit for a few days. What is to be done? The dear young things must not be compromised--no, never! But neither will the youths give up the opportunity of declaring their love.

The problem is solved by forcing another Oxford undergraduate into a dress, a fichu, a pair of mitts, and an old-fashioned cap and wig. As Charley's Aunt, this old frump is introduced to the sweethearts, to Jack's father (who is advised by the son to marry her millions), and to Stephen Spettigue, Miss Spettigue's guardian.

The sweethearts hug and kiss Charley's dear old aunt; the two men, make love to her. Then the real aunt turns up, assumes another name. In the comic confusion which results, young Lord Babberly, posing as the aunt, tricks Stephen Spettigue into agreeing to the marriage of his ward to Charley, the real aunt marries Jack's father, Jack gets Miss Verdun, and Charley's Aunt regains the fortune he lost at gambling and obtains the hand of the girl he loves.

The three act comedy proved to be an outstanding success for the class of '68.

The director of the play this year was Miss Penny Moore with Dianne Burrows as student director.

BJHS Student Council

The Bellevue Junior High Student Council has had an eventful year learning and practicing the procedures of student governing. The officers of this year's Student Council were Steve Callaghan as president, Ralph Thonen as vice-president, Rita Rowland as secretary, and Linda Meyers as treasurer. Mr. Clark served as the advisor.

Representatives from each homeroom met frequently to discuss old problems and to bring up new solutions. Each new achievement that the Student Council was able to successfully gain aided in making the B.J.H.S. a better school and the student body a more responsible organization. This year members of the Student Council monitored the auditorium much as the Senior High Council monitors its lunch room and lunch study halls. The Student Council also selected cheerleaders and set up dates for dress-up days. A locker inspection was conducted by Council members. The B.J.H.S. Student Council has had an active part in this year's activities.

OFFICERS: Linda Meyers, Rita Rowland, Steve Callahan, Ralph Thonen. ADVISOR: Mr. Clark.

Jr. High Comet Staff

The Junior High Comet Staff worked very hard this year to help the staff at the Senior High School. Their job was very similar to that of the Comet Business Staff. Each girl went to two homerooms each morning for a period of four weeks. During this time the girls tried their hand at salesmanship to sell Comets to the Junior High Students.

The following were the salesgirls: Jane Chapman, Cindy Barrett, Suzanne Coe, Sandra Herman, Debra Hillman, Brenda Huffman, Pat Linder, Kathy Martin, Patty Paul, and Jeannie Sliter. Julie Terzo was in charge of all the money. These girls are to be commended for a fine job.

Freshman Band

Strike Up the Band!

Eighth and Ninth Grade Bands

Under the direction of Mr. Robert Dubbert, the junior high eighth and ninth grade bands have attained a high quality of musicianship and showmanship. This year the bands have played for many assemblies and concerts.

Both bands certainly proved their outstanding qualities by receiving fourteen superior ratings and seven excellent ratings in the District Junior High Band Solo and Ensemble Contest in Willard.

Eighth Grade Choir

The eighth grade choir is taught the history of music. The lives of composers and the actual mathematics of music is stressed in daily classes. These eighth graders are prepared for the more advanced study in the years to come.

The Freshman Choir moves on to a deeper study of music. Since the choir was taught how to read music in previous years, these boys and girls now spend more time singing and improving their voices. These two years are important for those members who plan to partake in a cappella choir as high school students.

The Choirs participated in this year's Junior High School Music Festival. This festival was composed of the musical groups of the Junior High School. Here these groups entertained in their only concert of the year.

This year's Freshman Choir also went to the district contest. At this contest various neighboring schools displayed their talents. This year the contest was held in early May.

Central Soya

. . . the growing name in FOODPOWER

No. You won't find the **Central Soya** mark on your ham and eggs, chops, roasts, hot dogs, butter or milk. But, chances are, the "critters" that provide these and other food products were raised on Master Mix feeds and concentrates. We say "chances are" because our **Feed Division** makes and sells substantially more than a million tons of animal feeds each year through more than 2,500 Master Mix dealers.

Not only that. Your margarine, mayonnaise and salad oil aren't marked either, but most of them contain nutritious soybean oil produced (along with high protein meals) by our **Soya Division.** Annual capacity, nearly 80 million bushels of beans. Processed meats, candy, baked goods, even baby foods, look and taste better, stay fresher, thanks to special soy products of our **Chemurgy Division.** Feed and food grains are merchandised from major production to major consumption regions by our **Grain Division.** And our international people parlez vous soybeans in five languages.

Next time you slice into a thick steak, or sneak an extra large piece of danish, remember the role being played by **Central Soya.**
